

My Team

Welcome to the **I CAN** Program. We are excited about your commitment to make a difference in your life as well as in the lives of many others.

You may have heard the Starfish Story: There was a little boy walking on the beach after a storm where thousands of starfish had washed up on the beach. A man watched as the little boy bent over, picked up one starfish at a time and threw it into the ocean. The man asked the little boy, "What difference could you possibly make to all these starfish lying here?" The little boy bent down, picked up a starfish, and as he threw it back into the ocean said, "*I made a difference to this one.*"

Too many times we see ourselves as unable to make a difference . . . to even one person and the world is so lost, with problems so overwhelming. We think, 'What could just little old me do?' Well, the solution to every problem begins when someone starts taking action. It is truly time to take action and together we can and will make a difference. You've taken the first step.

We are YOUR TEAM. We are here to support you as you go through your first months of the **I CAN** program and learn how to help and support others. We'll be in touch and stay in touch. We will honor and respect you, and enjoy the unique gifts and talents you contribute to the team. We celebrate your joining us on our journey to help others, one at a time, *Make a Difference* . . .
